

## Say it with... CHEEKS

Englische Redewendungen, in denen es um Wangen geht

| Ausdruck                | Bedeutung  | Beispiel   |
|-------------------------|--|--|
| Cheek by jowl           | Eng aneinander   | The train was really full on the way home. We were all standing cheek by jowl.   |
| Tongue in cheek         | Ironisch gemeint   | The article seemed serious but it was actually very tongue-in-cheek.             |
| To turn the other cheek | Nicht reagieren, wenn jemand dir wehtut oder dich verletzt | I wanted to shout at him but sometimes it's better to just turn the other cheek. |
| To be cheeky            | Frech sein   | Sometimes you need to be a bit cheeky to get what you want.                      |
| Of all the cheek!       | So eine Frechheit!   | Then she expected me to do her photocopying! Of all the cheek!                   |
| A cheeky...             | Etwas Schönes, was du dir dir spontan gönnst               | I met my colleague for a cheeky coffee after the presentation.                   |
